Baby it's cold outside

... so light the fire, pick up the phone, call your best friends and invite them over for the ultimate pampering, Montagne Jeunesse girl's night in.

Warm up chilly winter skin with a self heating mask. Try the Apricot & Almond Oil Hot Masque to deep cleanse and moisturize or the Red Hot Earth Sauna Masque with rich clay extracts to draw out impurities and clear excess oils.

Feet been hidden in socks and boots for weeks on end? Bathe them in steaming water infused with the Pink Grapefruit and Balm Mint Foot Soak to relax and soothe. Follow this with the Spearmint and Balm Mint Foot Lotion to condition and refresh.

Grab a handful of Lime Oil Hot Miracle hair masks for all the girls to de-frizz dried out, damaged, lacklustre tresses. This intensive hot oil treatment locks moisture into the heart of your hair. Finish with the Ultra Shine Serum for lasting gloss and vitality.

Perfect for a quick daily treat or a full beauty makeover –there's a Montagne Jeunesse solution for every beauty

need – from top to toe. Conveniently packaged in single use sachets for under \$2.00, Montagne Jeunesse sachets are available at major and independent retail chains and mass merchants.

If you and your friends love being spoiled, go to www.montagnejeunesse.com and see the many ways to do it. Don't forget to add your favourite tunes and snacks. Then sit back, relax and enjoy the best of what the cold weather has to offer – good friends and good times.
